

# HISPANIC MINISTRY

Good  
Shepherd  
Church

In December 1986 the Hispanic community of Tallahassee was blessed with the celebration of the first mass in Spanish at Good Shepherd Church. For many years it was an occasional event. As Spanish-speaking celebrants became available and the interest and commitment of the Hispanic parishioners increased, arrangements have been made to reach the goal of a weekly mass and provide opportunities for non-English speaking parishioners to pray and share their faith and talents. **Our current activities are listed below:**
